Classic Ford & Mustang Round Up

AUGUST 16TH, 2003

PCMC CLUB MEMBERS ... IT'S SHOW TIME !

The Car Show is upon us friends and the clock is ticking. We are in need of your support and volunteerism for a number of different things going on for our show.

We strongly encourage members to attend the last meetings before the show. We have many spots on the to-do list that need some filling.

We need club members to attend and sign the list so we know you are going to be at the show to help out.

We have some changes coming to this years show. We have done a few things to make it a better show for all of us. All of the above will be discussed in full detail at the next meetings.

IMPORTANT NOTE TO ALL MEMBERS !

We need you to solicit door prizes for our show. This is very important for our club and the coming years events. If you have door prizes already, bring them to our next meeting so we can gather and organize them.

Also please furnish with those door prizes business names, addresses, and phone numbers if applicable. We want to give our contributors as much credit as possible.

If you are un-able to solicit a business for a door prize please donate a prize yourself. Find something cool you once won or would have like to win at a show. Bring it to the next meeting.

Jeff Kramer – 1985 to 2003

As many of you may already know, one of our community, Jeff Kramer, 18, died in a car accident during Pony Trails on July 18th. Memorial services were held on July 23. Memorial donations can be made in Jeff Kramer's name to:

Children's Guild Association (Attn: Wendy Funicello),
PO Box 50020, MS S200,
Seattle, WA 98145

For those of you wishing to make donations this is where the family wishes you to make them, as Jeff has a niece Melissa that goes to the Children's Hospital quite a bit and they thought it very much appropriate! Thanks to Wendy at the Kitsap Club for this information.

See http://seattletimes.nwsource.com/text/2001175002_webfatal19.html for news release of the incident.

July 2003 Club Meeting Minutes

President Gary Dagan opened the meeting at 7:39 PM at Bowen Scarff FORD on Friday, July 10.. The Minutes were approved as published in the PEGASUS. The meeting was then recessed to allow time for the members to socialize, look at Mustangs and generally amuse themselves before the meeting was restarted about an hour later.

Secretary Report, Cecil Paoletti. The minutes for the June meeting were accepted as published in the PEGASUS.

Treasurer Report, Gary Hallberg. The club is solvent.
Vice President, Dennis Wagner. The ordered canvas folding chairs are available with the screen-printing feature on the back. Two black chairs are still available. The cost is \$15 each. A similar chair will be used for trophies at the Bowen Scarff All FORD Car Show.

Technical Committee. The wiring work on the Lievero Mustang was successful, Laura thanked the club members for their efforts and drove the Mustang to the meeting. Skip and his son, Kris, were also able to drive their '69 Mustang to the meeting.

Tours and Events, Margaret Petersen. The July 13 Dinner Night out will be at Wally's Drive-In in Enumclaw. Those members wishing to caravan should meet in the Carco Theater parking lot at 3:00 PM. The "Ponies in the Sun" car show put on by the Yakima club will be on Sept. 14.

The Bowen Scarff Ford show is scheduled for August 16. Brett Paracy is helping Mark Palmore with the

organization of the show. The show still needs door prizes. They are expecting the restored Bowen Scarff sponsored dragster, "PHANTOM," to put in an appearance, but the Ford GT40 is not available. They still need volunteer help. The show preparations are on schedule. Brett Parcy had several requests;

1. The PCMC members should consider registering as "Host Vehicle" to reduce potential conflicts for prizes.
2. If anyone has a portable self supporting shelter fly please bring it to the show for club use.
3. If anyone has portable shelves please bring the shelves to the show for the club to use to display door prizes.
4. Lori will digitally photograph each club member's car when entering.

Membership Report, Linda Hallberg. 27 members and 2 guests attended the meeting. Jeff and his son, Dan, have a '65 Mustang and were interested in the club. President Gary Dagan explained the membership requirements. Two membership applications were received at the meeting for the Board's future consideration.

Pegasus Report, Tom Rowley. The July issue was distributed both electronically and in hard copy, as appropriate. Tom found that the hard copy versions of the PEGASUS could be acquired much cheaper at COSTCO than at the previous source.

New Business.

A new "Classic FORD" magazine is starting up. Initially it will be a quarterly publication. A sample page was made available.

WEB Committee.

Club members were asked to provide a list of any unique, or special purpose, tools that they owned and would be willing to loan to club members for use on their cars. Interested members should contact Brian Benthin.

Helpful Hints from Hallberg

Candles will last longer if placed in the freezer for at least three hours prior to burning.

Place fabric softener sheets in dresser drawers and your clothes will smell freshly washed for weeks to come. You can also do this with towels and linen.

To determine whether an egg is fresh, immerse it in a pan of cool, salted water. If it sinks, it is fresh, but if it rises to the surface, throw it away.

Clean a vase. To remove stain from the bottom of a glass vase or cruet, fill with water and drop in two Alka Seltzer tablets.

Wrap celery in aluminum foil when putting in the refrigerator and it will keep for weeks.

Keep It Safe

Don't forget to update your insurance coverage so that you can replace those possessions in the event of theft or fire.

Big-ticket items may warrant an additional rider to your homeowner's policy.

Keep track of your possessions using a home inventory book. Take pictures of you articles and keep in a safe location.

This week we have some brief thoughts on the universe:

"There is a theory which states that if ever anybody discovers exactly what the universe is for and why it is here, it will instantly disappear and be replaced by something even more bizarre and inexplicable. There is

another theory which states that this has already happened." – *Douglas Adams*.

"I'm astounded by people who want to 'know' the universe when it's hard enough to find your way around Chinatown." - *Woody Allen*.

"Duct tape is like the Force. It has a light side, a dark side, and it holds the universe together...." - *Carl Zwanzig*.

"Computer programming is a race between software engineers striving to build bigger and better idiot-proof programs, and the universe trying to produce bigger and better idiots. So far, the universe is winning." - *Rich Cook*.

"The surest sign that intelligent life exists elsewhere in the Universe is that it has never tried to contact us." - *Bill Watterson (Calvin and Hobbes)*.
