The December Club Meeting will be a busy one:

We will hold the *election of officers* followed by the annual *charitable auction*.

The **charity auction** is one of the long-standing traditions of PCMC, and results in a charitable gift from the Club to the Pediatric Interim Care Center in Kent. Here is how it works: We ask the entire club members to join us at the December meeting, bring a

wrapped unidentifiable gift, which will then be auctioned off. Please bring a gift of \$10 value (minimum) and wrap it up nicely. The gifts can, but do not have to be cars or Mustang related. All the gifts will be placed under the tree while we conduct the final business of the year. Please **DO NOT** bring any perishables, such as frozen turkeys!

Also, since this is also the longest meeting of the year, we won't be going out afterwards. So, anyone who would like to bring some goodies, cookies, munches or drinks please do so, so that we may have some refreshments for the long meeting. In spite of its length it is fun, and any kids who would like to assist as the auctioneer's elves, are more than welcome to participate.

A Special Note: Larry Duffield, our guest speaker at the January meeting, (see the next article) donated two gifts for our Christmas Auction. One of the gifts is a VIP package for the Historics race weekend at Pacific Raceway. It is a \$250 value. The other is a one-day pass to the car corral for a car and driver. These are both wonderful gifts so consider them in you auction plans.

Please remember the December meeting, and call around and remind all your friends. By the way, this meeting is not exclusive to club members only, feel free to invite friends.

Classic and Special Interest Car Insurance Presentation

Larry Duffield, an agent for Hagerdy Classic Car Insurance, will be at our January 2004 meeting. Larry will give a short presentation on the Hagerdy Insurance coverage, limitations and costs. This should be an interesting and beneficial presentation. Plan to attend our regular meeting on January 9th. *Note: the January meeting is on the second Friday of the month because of the New Years Holiday.*

Larry is active in the SOVERN activity and supports classic racing at Pacific Raceways, so he understands Classic and Special Interest cars and the people who own them. Larry is also an Allstate Insurance Agent with offices in Kirkland, WA.

November 2003 Club Meeting Minutes

President Gary Dagan opened the meeting at 7:46 PM at Bowen Scarff FORD on Friday, November 7.

Secretary Report, Cecil Paoletti. The minutes for the October meeting were accepted as published in the PEGASUS.

Treasurer Report, Gary Hallberg. The Treasurer reported that there wasn't much activity this month, that the club was solvent and that he will provide Tom Rowley with a list of members who have paid their annual dues.

Technical Committee. Bruce Petersen purchased an engine from the "EnginesR. US folks. They delivered the remanufactured engine to his shop and picked up the core engine. The engine purchased was a Ford 302 and the cost was \$1132.

Tours and Events, Margaret Petersen. The "Museum of Science and Industry" is having an exhibit chronicling the Ford company's 100 year anniversary. We arranged a group price, a significant discount, and will attend on 12/13. Plan to arrive at 11:00 AM. Following our tour of the exhibit we will have our dinner night out at the RAM pub located in the University Village shopping center. The November dinner night out was at Filiberto's Italian Restaurant in Des Moines. The club is considering offering to do a "Show & Shine" at the new Bowen Scarff dealership in Covington.

The details for the annual club banquet are being worked out. Margaret Petersen and Linda Hallberg are helping Dennis Wagner with selecting a date, place, theme, etc.

Membership Report, Linda Hallberg. Linda noted that four new members were approved. There was one guest at

the meeting, Gene Shields. He has a 2003 Cobra Coupe and he found us from our web site.

Pegasus Report, Tom Rowley. The November issue was distributed both electronically and in hard copy, as appropriate.

Special Thanks. Brian Benthin has had to resign from our club activities. He and his wife have a brand new baby and the demands thus imposed on his time prevent him from participating. Brian has performed wonderful work on the PCMC Web site and deserves our thanks for a job very well done. Volunteers are needed to help staff the Web site and Skip Echert has stepped up. Thank you Brian, and a hearty welcome to Skip.

Old Business.

A number of members experienced unfortunate incidents at the recent Bowen Scarff Car Show. President Gary Dagan has contacted the affected members to express the club's regrets. The members contacted do not blame the club and indicated they plan to remain with the club. Dues were due in October, if you haven't paid yet there is still time.

New Business.

The November board meeting was cancelled. The members should note that the January meeting will be on January 9, the second Friday of the month, because of the New Year Holiday. Tom Rowley has arranged for a guest speaker at the January meeting. Larry Duffield of Hagerdy Insurance will speak on insuring classic cars. Members should plan on attending since this is a very important subject. Mr. Duffield has provided two gifts to be raffled at our annual Christmas Charity Auction. The new officers will be elected at the December meeting. The present slate of officers, with the exception of Vice President Dennis Wagner, have agreed to serve a second term, but nominations are still open. Tom Rowley was nominated for Vice President.

Tom Rowley was authorized to acquire 12 new hats for the club. These hats will be available for members to inspect and purchase.

The club decided it would not participate in the Seattle Roadster Show in 2004 as a club. Individual members are encouraged to participate on their own.

Chris Johnson sent three left over Chambrais shirts to the club store. If you are interested in buying one contact Linda Hallberg.

Dennis Wagner suggested we consider a run to Mt. St. Helens as part of a larger grouping of Mustang Car Clubs, sort of a small scale Pony Trail activity.

Technical.

Sid Feazel has acquired a sand blast cabinet. He has fine sand, coarse sand and glass beads available. He will be happy to clean parts for members for a reasonable cost, or members could arrange to clean their own parts.

Lotteries.

Cecil Paoletti won the "Split the Pot" drawing. The club member who won the "Member in Attendance" drawing was not present so the pot rolled over.

Mark & Bowen Scarff provided two door prizes, a Ford visor organizer and a Ford key ring, which were won by club members. John Livero also brought some calendars with nice classic car pictures that members took home.

The meeting adjourned at about 9:00 PM.

Pacific Northwest Caravan to the MCA 40th Anniversary Celebration in Nashville

Anyone thinking on making the long trek with their cars to Nashville for the 40th in April? If so, I've decided to spearhead an effort to Assemble a caravan departing out of the Northwest.

The idea is that we pick up people at meeting points as the caravan moves down I-5, to I-84 at Portland and down through Salt Lake City. Depending on interest and route we could possibly meet with the Mustangs Across America caravan that departs California. If you are interested or think you might be please feel free to contact me. I'll be happy to talk to you about it and go over roughly what the idea is and what departure dates and locations could work.
