December Christmas Benefit Auction is coming:

One of our annual fun activities is the December benefit auction. The key to success and fun is to have LOTS of people show up. *Everyone is asked to bring the following:*

- Unidentifiable Wrapped Packages**
- No Gags please**
- Nothing Perishable**
- \$10 to \$15 Value. Higher is OK.**
- May be car related but not necessary**

We then auction off these items to raise funds. We then donate funds with the Kent Pediatric Interim Care Center. It's a great cause and we have lots of fun with the auction. Our sponsor Bowen Scarff has always been extremely generous in their donations to the benefit auction.

Don't forget to bring a food goodie to share and bring your checkbook or cash as well. We will not be going to Pizza after the meeting. So, if you bid on a gift, and win that bid, you get to keep the gift, and write a tax-deductible check to PICC.

Hint: you can purchase good **STUFF** at the parts department at **Bowen Scarff Ford**, You show them your **PCMC membership card**, and get a **20%** discount.

Tom Rowley/Margaret Petersen

It's Time to Nominate and Elect New Club Officers

At the December meeting we will nominate and elect new club officers and board members. *The current officers and board members have been serving for quite some time. It would be good for the Club to get some new blood and fresh ideas. Please support your Club and consider being an officer.*

THE PEGASUS NEWSLETTER

www.pcmc.cc

Secretary: Julie Thompson

Editor of the PEGASUS: Tom Rowley

The current PEGASUS editor has served for several years and needs a break. The publication and distribution of the PEGASUS has been well developed now and takes minimal effort. The editor of the PEGASUS, whoever they are, does need help with the content of the newsletter. It's time to get behind the club, roll up your sleeves and help. It is your club and deserves your support.

Christmas Auction:

The December meeting serves two purposes, first, the election of officers, and secondly, the Annual Christmas Charity Auction. The purpose of the auction is to raise money for the Pediatric Interim Care Center (PICC) located in Kent. This organization provides care for drug addicted newborn. A representative of the Perinatal Treatment Service (PTS), associated with PICC, visited us. This organization works with the mothers of the infants treated by PICC. We were told that they had a very successful program teaching the mothers how to be good parents to their newborn and had an 80% success rate. They can be contacted at: www.ptswa.org. Members and guests are encouraged to bring wrapped mystery gifts worth at least \$10 to the December meeting to be auctioned to the attendees. The gifts do not need to be car oriented. It was noted that PCMC had made a donation to PICC in Allen May's name, a recently deceased member.

Tours and Events:

Margaret Petersen noted that the Seattle Auto Show was this week, and that the Seattle Times carried a special section on the SALEEN automobile.

The November Dinner Night Out will be at the "XXX Drive In" in Issaquah, WA. The activity may be followed by attendance at a Magic Show.

The annual club banquet will be at the Museum of Flight (MOF) on 01/29/04. The final cost is still to be determined but will be about \$30 a head. This will include the banquet room from 6:00 PM to midnight, access to the museum from 4:00 PM to 6:00 PM, a buffet style meal featuring salmon or sirloin and the appropriate "fixins". A cash bar will also be available. Chappie James of the Tuskegee Airman will be the featured speaker. Hot August Nights in Reno, NV: Gary Dagan still has 2 reservations available for this event.. Several members are planning to drive down and attend. Contact Gary for details.

The weekend following the October Business Meeting five cars participated in the trip to Mt. Rainier. It was a great trip. The October "Dinner Night Out" at "Whiskers" restaurant in Auburn, WA had a very good turnout. The restaurant features a NASCAR theme.

Friday, October 22, the club toured Ed Nichols garage and crawl space. He has cleverly optimized his crawl space to store car parts and as a work area. In the garage proper he has a '66 coupe and a '66 convertible in the process of restoration.

Membership, Linda Hallberg:

Linda itemized the qualifications for membership and introduced several guests. Christian Hogan formerly had a '70 Mach 1 and has replaced it with a '68 J code Mustang. James Urbati has a '67 coupe. Bill Baker has a '68 in the restoration process. Daryl Watanabe has a '66 coupe for sale. The car was owned by the proverbial "Li'l Ol' Lady" and gently used. The Mustang was originally acquired from "Bill Pierre FORD."

The Iraq Project:

Sandy Hallberg displayed several photos sent by his son depicting our recent donations to Iraq in use the school in their schools. Chris Johnson's son is still in Majah. He commented that the situation was quiet now but wasn't so a few weeks back. Al Sadr was acting up then. We are still collecting items to be shipped to our troops in Iraq. Contact either Sandy Hallberg or Chris Johnson as to what is needed.

Tech Sessions:

Gary D commented that we do various mechanical activities as a group, such as headliners, suspension members, electrical systems, etc. Currently in the planning stages is the repair of Linda H's parking brake mechanism. Gary D is currently installing an air conditioner in his convertible for the trip to Reno. This will not be a tech session, but if you are interested Gary can show you how it is done when his time is available.

New Business:

PICC is building a new care center. For a \$35 donation you can get a "Virtual Brick.."

Dianne Dalton has gotten married and moved to Camano Island. She invited everyone up to visit this summer.

Joe Gillespie has a new infant son.

Raffle:

Bruce Petersen won "Split the Pot."

David Glidewell won "Member in Attendance."

Bowen Scarff Door Prizes:

Daryl Watanabe won a poster of the Cobra V10 prototype.
