CHANGES BY LINDA HALBERG

THIS IS A GOOD TIME FOR CHANGES

Summer is gone and fall is here. Perhaps the leaves aren't the only thing ready for a change.

At the last business meeting Mark Palmore, member and dealer representative asked the membership for ideas and suggestions for next year's car show. Even though the car show ran smooth and we had a great show Mark would like to make some changes. So think about the event and be ready to share your thoughts with Mark at the next business meeting on December 4th.

Is PCMC ready to make another change in 2012 and bring back great memories of auto crossing at Pacific Raceway? Sure why not? The wheels have begun to roll and are picking up momentum, support and enthusiasm. Dick Knight is researching this idea and finding answers to all the questions that have been raised. Are we ready to do something different?

Other changes in the horizon for PCMC in 2012 include a proposed budget for the next year and a possible increase in membership dues. There has been some discussion on increasing our treasury so The Club can offer more to its membership. The other changes we will see are new officers with fresh ideas for 2012. What are you waiting for, ask someone to nominate YOU for one of the officer positions or committee heads. Be part of the change that is coming in 2012.

Mustang Club of America contacted our club regarding the 50th National Anniversary Mustang Show in 2014 held at The Harold LeMay Museum. Our decision if we choice will be to join other local Mustang Clubs in this milestone event.

I'll go anywhere as long as it's forward and my wheels keep rolling.
