April 2010 P.C.M.C. Minutes

President Chris Johnson opened the monthly meeting at 7:43 p.m. On Friday, April 2nd 2010 in the Kent Bowen Scarff Showroom.

Secretary's Report: March minutes are approved as written.

Treasurer's Report: Margaret Petersen reported she's made some deposits and withdrawals.

Pegasus Report: Darryl Kercher was unable to attend tonight.

Website: Skip Echert reports nothing new, but be sure to check out new calendar entries. Tom Rowley mentioned we need to update our pictures on the website. Maybe Chris Johnson could take another overhead shot of members and their cars after our show this August. Skip would also like new gallery shots, just send your photo (any format) to him.

Tours & Events: Margaret Petersen discussed the good turnout for March's 13th dinner night out. They all started out at Bowen Scarff, and then headed to Dick Knight's home, then to Boney Lake to Hop Jacks for lunch. Apparently it was good times and good food.

April 13th Dinner night out will be at HG Hot-spurs in Kent at 6:30 p.m. (look on club calendar), please RSVP to Margaret.

There will be a judged show May 8th at Remlinger Farms

April 2010 P.C.M.C. Minutes cont.

Margaret would like to organize a trip for the 'retired folks' to the tulip fields, on a weekday. All would have to be ready at a moment's notice, because of changing weather conditions.

June 6th is All Ford Picnic, but also a retirement home in Auburn would like some cars to show up. It was suggested to maybe stop by on our way home from the picnic

Round Up is July 17-18. Dick Knight is pushing for all our clubs attendance. All we need is around 30 people to show up (\$20 per car) and register. Whoever has the most registered members wins \$200 for their club. They go off the registration list, so if you don't want to take your car, you can still sign up and catch a ride with someone.

Tech Session: on Saturday April 17th at ABC Upholstery, need 3 cars to work on for approximately 3-4 hours. Dick Knight will contact all those who have signed up and remind them.

Chris Johnson will pass out sign-up sheet around again, for tech session, All Ford Picnic, Round-Up (show-n-shine) then BBQ afterward, then possibly organize a drive.

Another idea for future tech session is both Gary Dagan and Chris need their differentials rebuilt. Chris says it could be held at Burien City Garage.

Historian: Gary Hallberg mentioned photo albums with pictures from the dinner are in the back to view.

Membership: Tom Rowley reported he has t-shirts for those members who have not picked

theirs up yet. Gayle O'Neil is still working on new shirts (tank tops, polos, etc.) for future purchases.

Tom introduced our one guest tonight named Bobbie Johnson. He explained what we do as a club and reminded us of the Ford parts discounts we get from Mark Palmore.

Tom welcomed our newest member Bill Lentz, and discussed a possible 'buddy system' we're working on to help members hook up with similar cars.

New Business: Gary & Malinda Dagan reported on their recent trip to Scottsdale, Arizona and how they met up with an 80 yr. old guy who owned "Mustang Heaven" with every kind of Mustang part you could imagine.

Member Chuck Greene reported last month on a Juvenile Diabetes Walk-a-Thon Fundraiser to be held on Sat. May 8th. They need convertible cars to carry kids, plus display cars also. Chris has a copy of the flier if you're interested.

Our annual car show is Saturday, August 21st (not the 2nd as it says on the calendar)

Lotteries: Split the Pot was won by President Chris Johnson. Member-in-Attendance was won by the Aprill's. Raffle prizes donated by Bowen Scarff were 4 Hemmings catalogs won by Jim Aprill, Dick Knight, Bruce Petersen, and myself. Oil filter was won by Steve Evankovich.

The meeting was adjourned at 8:27 p.m.

Parting out 1998 Laser Red SVT Cobra Convertible that was rear-ended.

Parts from \$5 on up to \$6,000 for the whole car. Engine has less than 45,000 miles. Call Bruce at 206 937 7436 or e mail at bcpmlp@aol.com

Some years ago I bought a set of kitchen cabinets that had just been removed. I pulled out what I wanted and let my son have the rest. He needs to dispose of the cabinets since he is selling his house. These are mostly floor units with the typical Formica top, drawers and doors. There are also 2 or 3 hanging units. All are in OK condition for use in either a basement or garage. If anyone is interested they should contact me.
