December Christmas Benefit Auction is coming:

One of our annual fun activities is the December benefit auction. The key to success and fun is to have LOTS of people show up. Everyone is asked to bring a wrapped item valued around \$10.(Nothing that will spoil please). It is Ok to bring items in excess of \$10 in value. The items are unidentified as to content or donor. We than auction off these items to raise funds. We than donate funds with the Kent Pediatric Interim Care Center. It's a great cause and we have lots of fun with the auction. Our sponsor Bowen Scarff has always been extremely generous in their donations to the benefit auction.

October 2003 Club Meeting Minutes

Pacific Cascade Mustang Club meeting was called to order at 7:43 pm.

Committee Reports:

Gary Hallberg presented the Treasurer's report.

President Gary Dagan read a majority of the minutes of our last meeting. Motion was made and seconded to accept the minutes.

Tours and Events: Margaret said four cars were at the Yakima event. Had good weather, fun, trophies, and prizes at the eating-place. Concourse d'Elegance will be held in Richmond this weekend. Roadster show sent an invitation in case anyone wants to attend. The Rod Run was also mentioned. See the calendar of events on the PCMC.CC Website.

Chris Johnson said the Olympia car show, held at Capital Lake, was a neat show with good weather.

The president told members about the Sensheim and Speyr Auto

Museums in Germany.

While on vacation, Gary and Linda Hallberg attended the First Mustang Club of Germany in Munich. They gave the club a PCMC patch, which they will add to their table flag.

The October 13 dinner night out will be at King Buffet in Renton. Those attending should meet between 6:30 and 7:00 pm. See the calendar of events on the PCMC.CC website.

Tech Session: Differential went well. There was one spacer washer found to be in bad shape, but Chris was able to find a good one from a donor differential. Ten people attended.

Membership: There were two guests introduced - Paul Haun and Brent Stillings.

Our guest speakers, Tony Sieger and Andy Kissling, gave a presentation on the Engine Warehouse. They explained the differences between rebuilt and remanufactured engines. On their rebuilds the only reused parts are the block, heads, crank and rods. All other parts are new. They engines are then put on a test stand and "run" for an hour and computer checked for compression. The engines carry a 7-year/70K miles warranty. They offered the club a special price. For more info, see : www.enginesr.us.

New Business:

We need to begin thinking about election of officers and the December fundraising auction. Dues are due in December. For new members dues will be prorated. The club banquet will be held sometime in early February.

Gary Hallberg mentioned that volunteers are still needed at Pacific Raceways. Let him know if you are interested.

Margaret said that dates for the Bowen Scaff car show are needed. Mark will let her know.

Gary Dagan won split the pot. Member in attendance was not present. Brent Stillings won a key chain, and Dan Weishaar won a model car.

Motion made, seconded, and approved to close the meeting.

Pacific Northwest Caravan to the MCA 40th Anniversary Celebration in Nashville

Anyone thinking on making the long trek with their cars to Nashville for the 40th in April? If so, I've decided to spearhead an effort to Assemble a caravan departing out of the Northwest.

The idea is that we pick up people at meeting points as the caravan moves down I-5, to I-84 at Portland and down through Salt Lake City.

Depending on interest and route we could possibly meet with the Mustangs Across America caravan that departs California. If you are interested or think you might be please feel free to contact me. I'll be happy to talk to you about it and go over roughly what the idea is and what departure dates and locations could work.
