November 2008 PCMC Club Minutes

President Dave Glidewell opened the monthly meeting at 7:46 p.m. on Friday Oct. 3rd 2008 in the Kent Bowen Scarff show-room.

Secretary's Report: September minutes were approved as written.

Vice President Heather Sharp reported on doing a triathlon in August. She completed a ½ mile swim, 12 mile bike ride and 3 mile walk/run.

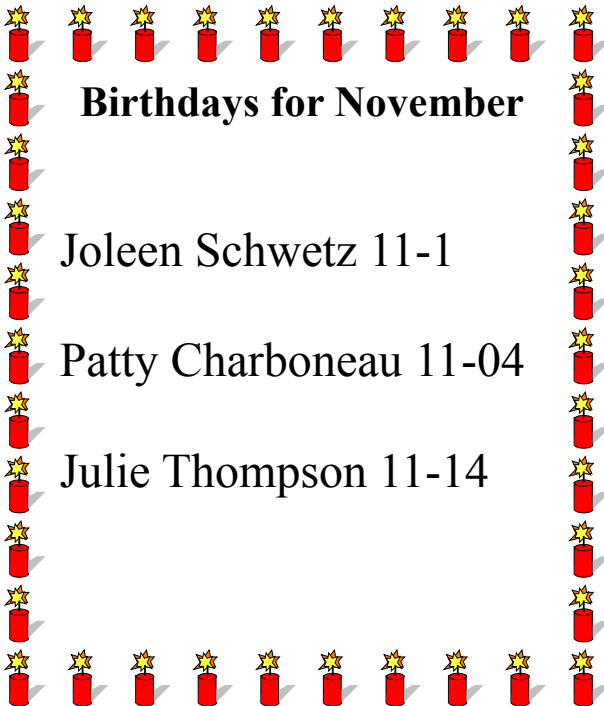

Heather is also already thinking about our annual Banquet plans. She would love to get ideas from members as to where we should do it. A few possibilities were Muckleshoot Casino, Emerald Downs, Foster's, Great American Casino

Treasurer's Report: Brad Hofman is collecting dues for 2009. The cost is \$25.00.

Brad will dig up previous history on how much our club has donated to PICC to date. Skip Echert will post it on the website.

Newsletter: Darryl Kercher was unable to attend tonight (Donna's mother passed away), but he did leave a note with a few questions to be asked; 1). Please update our email list. 2). Can everyone confirm the birthday list? 3). Who still wants newsletter by postal mail?

Also if you send info to Darryl to be published in the Pegasus, please state that, or it'll be filtered out.

Birthdays for November

Joleen Schwetz 11-1

Patty Charboneau 11-04

Julie Thompson 11-14

Club Minutes cont.

Membership: Tom Rowley was gone on vacation. We had 3 guests attend tonight, Bob McClain and daughter Kim, plus Jerry Schmelzer. There were approx. 27 members in attendance.

Tours & Events: Margaret Petersen discussed the Rod Run she and Bruce attended last month (Stan Vanderford was the only other member to go also). She says it's a blast every year!

Monroe Swap Meet is Oct. 11-12

Portland Swap Meet is Oct. 18-19

13th Dinner Night Out will be at the Outback Steakhouse in Federal Way (we will also be celebrating Chris Johnson's B.day)

Mustang's 45th Anniversary will be held in Alabama next year (check our newsletter for a blurb Darryl Kercher put in). Some members plan on attending.

Barrett-Jackson Auction in Las Vegas starts Oct. 16-18 on the speed channel.

President Dave Glidewell discussed the Yakima Show whereas he won a 1st place for his '66 Convertible and Mike won a 1st place for his '68 Coupe. It rained on their drive over, but Sunday (day of show) was beautiful.

Tech. Session: Chris Johnson was thinking of planning a tech session for November?

New Business: Stan Vanderford is selling parts for his '66 Mustang Coupe. He will print up a list and send out an email. Dave reminded us to start thinking about Member-of-the-Year (no elected officers). Mark Palmore won last year. Please send nominees to Heather, and the club will vote at the December meeting.

Our benefit raffle is also during the December meeting (PICC collected \$160.00 from a donation jar) at our car show in August. Stan Vanderford requested a Sykart gathering in the future again?

Lotteries: Mark Palmore was gone due to 'inventory night'.

Split the Pot was won by Gary Hallberg.

Member in Attendance was won by Mike Lambert (who was not present)

A Ford umbrella donated by Bowen Scarff was won by Margaret Petersen.

The meeting was adjourned at 8:34 p.m.

Julie Thompson-Evankovich, Secretary

Detailing tips

Secret #1: Use Two Buckets to Wash
Detailers know that the two bucket method is the best way to get your exterior clean. Use one bucket to hold your clean suds, and another bucket to hold clean water. Before you dip your cleaning mitt into the clean suds, rinse it off in the clean water bucket and wring it dry. Then, you're always putting a clean mitt into the clean suds that will go on your car. If you only use

one bucket, you're just moving dirt off of your car, into your suds and back onto your car. Some pros have started using the Grit Guard insert, a \$9.99 tray that helps sediment settle to the bottom of your wash bucket, instead of getting stirred up in the water and recollected on your wash mitt.

Secret #2: Join the Microfiber Revolution
We're living the microfiber revolution. Pro detailers use color-coded, task-specific microfiber cloths and towels for greater efficiency, lower friction and scratching and easier washing, rinsing and drying. Mike Pennington, director of training and consumer relations for Meguiars, emphasizes that it's important to wash your microfiber as a separate load, not mixed in with the regular laundry and rags. Microfiber will trap the lint from cotton towels, defeating the purpose of the wash. Use very little detergent and skip the fabric softener, which will coat the fibers and inhibit microfiber's qualities. Double up on the rinse cycle, and your microfiber will perform at its best. Remove any labels and stitching before you use your towels to avoid scratching. And remember, you get what you pay for -- those cheapo packs of microfiber from the warehouse store are not nearly as good as the ones you can find at online specialty stores.
