Lets Continue to Support Our Troops in Iraq

We, personally, want to thank all of you who participate in this for your caring and support.

The support last month was great. We, PCMC, will continue to collect items for our Troops.

Please continue to bring your donations to the next club meeting. Donation of items for our monthly collection should be given to Chris Johnson or Sandy Hallberg. Reminder we will be collecting items for mailing on a monthly basis.

September 2004 Club Meeting Minutes

Members arrived for social hour and viewing The Club album from the August Bowen Scarff FORD car show.

Chris Johnson called the meeting to order at 8:07 pm. Minutes were approved as printed in the September Pegasus newsletter.

Membership Report: It was reported that the membership application for Eddie del Piler was accepted. Eddie has a 2003 Mustang Coupe.

Discussion and update was given on Iraq. Donation of items for our monthly collection should be given to Chris Johnson or Sandy Hallberg. Reminder we will be collecting items for mailing on a monthly basis.

Dinner Night Out for September 13th will be in Des Moines at an Italian/Greek Restaurant called Athen's. See you at 6:30pm.

Bowen Scarff FORD car show was discussed. Mark Palmore, dealer rep and car show chairman thanked the group and all the club members for all their help and support. During discussion it was suggested that next year we have four boxes for pre-registration rather than one. There were 30 no shows and a good turn out. Orchestra was a nice touch thanks to Margaret. Overall good comments were shared. We

Be aware of new car-jacking scheme.

Imagine: You walk across the parking lot, unlock your car and get inside. Then you lock all your doors, start the engine and shift into REVERSE, and you look into the rearview mirror to back out of your parking space and you notice a piece of paper stuck to the middle of the rear window.

So, you shift into PARK, unlock your doors and jump out of your car to remove that paper (or whatever it is) that is obstructing your view... When you reach the back of your car, that is when the car-jackers appear out of nowhere, jump into your car and take off !!

Your engine was running, (ladies would have their purse in the car with their ID) and they practically mow you down as they speed off in your car. Now they have your keys (probably with your house key attached), your ID if you are a woman, and your address from your purse or car registration.

BE AWARE OF THIS NEW SCHEME THAT IS NOW BEING USED.

Just drive away and remove the paper that is stuck to your window later, and be thankful that you read this email. I hope you will forward this to friends and family.

Ponies in the Sun

For the Yakima trip we had three convertibles driving over Hwy 410 and Chinook Pass. (George, Julie & Us) At Lake Tipso - the 5,000ft level, we had snow. We all thought it was beautiful, and it did not cause us any problems. About 20 minutes down the road we all took our tops down for the sunny cruise into Yakima. We stayed at the Oxford Inn, where they let us wash our cars.

Before the gathering for dinner at the Peppermint Stick (one of the Ponies in the Sun members owns this hamburger joint) we went to a local museum that featured native American artifacts as well as a large collection of

horseflies carriages. The museum was well worth the \$3 to get in.

Day of show was sunny and warm- Not hot. George Hammond, Dave Glidwell (who did not drive with us) and Us- Bruce & Margaret Petersen, all won first place trophies. We felt bad for Julie Thompson, for she put so much work into her gorgeous black GT with new Boyd Coddington wheels.

The drive home was pretty fast with a few real bad showers.
