Lets Continue to Support Our Troops in Iraq

We, personally, want to thank all of you who participate in this for your caring and support.

The support last month was great. We, PCMC, will continue to collect items for our Troops.

Please continue to bring your donations to the next club meeting. ~Joyce and Chris Johnson & Sandy and Sandy Hallberg

Our Show, 2004 Classic Ford Show and Mustang Roundup

Our show this year was another great success thanks to Mark Palmore, Bowen Scarff and the PCMC Volunteers.

The show was sold out via web page pre registrations and we must have had 230 or more great cars. The weather held out almost long enough to get the trophies handed out. I will publish more show results in the October Pegasus. Tom Rowley, Editor

PCMC and Bowen Scarff would like to thank the following business for contributing to the event bags and donating the many nice raffle prizes.

- BG Products, Inc
- Too Cool Refrigerator Kits
- Legendary Ford Magazine
- Napa Auto Parts-Kent
- Big Wheel Auto Parts- Kent
- Reinhart Electric
- Electric Lightwave Communications Co.-Bellevue
- Mc Lendon Hardware-Kent
- NPD National Parts Depot
- Macs Antique Auto Parts
- Speedway Motors
- Concours Parts & Accs
- Mustangs Unlimited
- MSD Ignition
- Magnolia Hi-Fi
- Dearborn Classics
- Les Schwab Tires
- Macs Street Rod Parts-Bellevue
- Bel-Kirk Mustang-Bellevue
- Museum of Flight- Seattle

Words to Live By

Don't pass cars on curve or hill.
If the cops don't get you
Morticians will
- Burma Shave

Pony Trails Sunday Show

7/18, PCMC had about 8 cars in this event. Keith - Gary& Melinda Dagan's Daughter's significant other, or is this a son in law

to be? won 3rd place at the Bellevue show with his almost finished 66 Silver Fastback. This would be the new shining fastback you saw at Pacific Raceway in PCMC Corral space for the Classic Car race on the 4th of July.

Pony's on the Water Front- Pt Orchard

George Hammond won first place in his class at Pt Orchard on Sunday 7/25 with his 2000 Silver Convertible. Others who attended were Julie in her Black 2000 Convertible and Dave Glidewell in his Blue 65 Coupe as well as Bruce and I in our 98 Cobra Convertible. Three of us won raffle prizes. Last year we tied the attendance record with 11 members at this show. This year a meager 4 cars from PCMC.

We forgot to ask if the board would pay for Julie's ticket- or part of it?

Margaret Petersen

August 2004 Club Meeting Minutes

President Gary Dagan opened the meeting at 7:40 PM at Bowen Scarff FORD on Friday, August 6, 2004.

Secretary Report, Cecil Paoletti. The minutes for the July meeting were accepted as amended. Eddie del Pilar was incorrectly identified as Eddie Seymour, and Don Weishaar was incorrectly identified as Don Wizar. The uncorrected minutes were published in the PEGASUS.

Treasurer's Report: The club treasurer was traveling and there was no treasurer's report.

Tours and Events, Margaret Petersen: Margaret was absent and Bruce and other members reported for her. The Pony Trail was a big success and enjoyed by all who attended. The

Bellevue Mustang's Mustang Roundup was a good show with about 1315 cars participating.

The August Dinner Night Out activity will be held in Covington at the weekly informal car show. The dinner will likely be at the nearby Mexican restaurant.

The Bowen Scarff Classic Ford Car Show will be on Saturday, August 21, 2004. The "Goodie Bags" will be stuffed at the Aprill's home on Thursday, August 19 at 6:00 Pm. The Parking lot will be marked out on Friday, August 20, starting at 6:00 Pm. The members are urged to participate in the show, and should arrive at Bowen Scarff by 6:30 Am. The show opens at 9:00 Am. 180 cars have pre registered for the show. The Lemay car show will be on August 28.

Membership Report, Linda Hallberg. Linda Hallberg is traveling. There were 32 attendees at the meeting, including several guests, Tom O'Neil, and Ted & Becky Boyer.

Old Business: PCMC allocated \$250 for tools to be used as raffle prizes during the car show. The club also allocated \$100 for Mark to procure more general merchandise to use as raffle prizes at the show.

New Business: A collection for the memorial fund for PICC in Allen May's memory was taken.

Chris will be continuing to accept donations for our military serving in Iraq. If you don't know what is needed please contact Chris. Gary Dagan coined a phrase for this activity at our business meeting; he referred to our donations as "The Iraqi Project." Perhaps we ought to officially adopt that name. Gary Dagan is organizing a tour to the "Hot August Nights" event in Reno for 2005. Sign up now if you want to participate.

Miscellaneous: Gary Dagan won our "Split the Pot" drawing. Dave Glidewell would have won the "Member in Attendance" had he been present. Bowen Scarff generously donated a tee shirt, won by Joanne, and a Ford cap, won by Kirk.

The meeting was adjourned at 9:04 Pm.

Club Store

Linda Hallberg has a supply of club hats, antenna flags, embroidered club logos and transfers available for sale to members.

- Antenna flags are ready to go, as are hats of various colors.
- The hats are available with iron-on embroidered logos or transfers.
- We have Static Cling Window Stickers of our logo now available.
- As far as the shirts are concerned, you will have to decide what type of shirts you prefer. You may purchase the logos and iron your own on the shirt of your choice, or have John Lievero iron them on to you. If you prefer, you can order the shirts directly from John.

Here is something to think about next time your car has a problem

For all of us who feel only the deepest love and affection for the way computers have enhanced our lives, read on. At a recent computer expo (COMDEX), Bill Gates reportedly compared the computer industry with the auto industry and stated, "If GM had kept up with technology like the computer industry has, we would all be driving \$25.00 cars that got 1,000 miles to the gallon."

In response to Bill's comments, General Motors issued a press release stating: If GM had developed technology like Microsoft, we would all be driving cars with the following characteristics (and I just love this part):

1. For no reason whatsoever, your car would crash twice a day.
2. Every time they repainted the lines in the road, you would have to buy a new car.
3. Occasionally your car would die on the freeway for no reason. You would have to pull to the side of the road, close all of the windows, shut off the car, restart it, and reopen the windows before you could continue. For some reason you would simply accept this.
4. Occasionally, executing a maneuver such as a left turn would cause your car to shut down and refuse to restart, in which case you would have to reinstall the engine.
5. Macintosh would make a car that was powered by the sun, was reliable, five times as fast and twice as easy to drive - but would run on only five percent of the roads.
6. The oil, water temperature, and alternator warning lights would all be replaced by a single "This Car Has Performed An Illegal Operation" warning light.
7. The airbag system would ask "Are you sure?" before deploying.

8. Occasionally, for no reason whatsoever, your car would lock you out and refuse to let you in until you simultaneously lifted the door handle, turned the key and grabbed hold of the radio antenna.

9. Every time a new car was introduced car buyers would have to learn how to drive all over again because none of the controls would operate in the same manner as the old car.

10. You'd have to press the "Start" button to turn the engine off.

Please share this with your friends who love - but sometimes hate - their computer!

From Margaret Petersen

Tours and Events
